

Community Education Instructors Needed!

Antigonish County Recreation's Community Education Program offers a wide variety of courses to the residents of Antigonish.

We are looking for part-time seasonal instructors. Most classes are offered in the evenings or on weekends in the Fall, Winter or Spring.

Classes can range from one day workshops to evenings classes lasting several weeks.

The dates and times are flexible, and are chosen according to the instructor's preferences.

Previous teaching is not required - just a good knowledge of the subject area and lots of enthusiasm!

If you have an idea of a course you would like to offer, please contact us! It is a great way to make some extra money and meet lots of new people!
