MUNICIPALITY OF THE COUNTY OF
ANTIGONISH

Name of Public Tender: MCA0617-2 Administration Building Partial Roof Re-shingle Tender

Location of Work: Municipality of the County of Antigonish Administration Building at 285 Beech Hill Rd, Antigonish.

Tender Closing Date: Friday Aug 18th at 12 noon

Closing Time: 12:00 pm (noon)

Opening Time: 12:00 pm on closing date; immediately following closing, **not** a public opening.

Date: August 4th, 2017

Sealed Tenders from contractors will be accepted until 12:00pm, noon, local time, AST, Friday August 18, 2017 by **Daryl Myers, Director of Public Works, of the Municipality of the County of Antigonish**, and are to be submitted with the bid form provided in an envelope marked "**MCA0617-2 Administration Building Partial Roof Re-shingle Tender**". **A deposit of 10% of the bid price must be included with the Tender Application by certified cheque.**

Bidders are solely responsible for the delivery of their bids in the manner and time prescribed. Bids received after the time and date stated will be rejected. Tenders may be accepted in person, at 285 Beech Hill Rd or electronically to dmyers@antigonishcounty.ns.ca with **MCA0617-2 Administration Building Partial Roof Re-shingle Tender** in the subject title.

Following the Municipality's **Policy 16- Procurement and Sustainable Purchasing**, evaluation of all tenders will be based on best value and the principles outlined in section 5 of the Policy. Other factors that will be a considered include tender compliance, calendar/ timeline of work, qualifications, price, references and when applicable warranty.

The Municipality of the County of Antigonish reserves the right to accept any tender which in its discretion deems to provide best value; **or** to reject any or all tenders for any reason.

IMPORTANT NOTE: There is a 25kWh PV solar system mounted on the roof of 285 Beech hill Rd. It is vital that this is recognized and considered in all work plans. On the roof in question there are 10 PV solar panels that need to be disconnected, removed and then reinstalled after that section of roof is repaired/ re-shingled.

With our service agreement with our solar installer the Municipality will have the panels removed and replaced. Work dates and times will have to be clearly defined so that this additional work can be done.

Ninety, 90, panels will remain on the back side of the building and caution is required not to damage any of these panels or their connections. All debris and equipment will have to remain on the front side of the building.

Scope of Work includes but is not limited to the following:

1. To supply all labour, materials, equipment and tools required to complete the project; to include 30 year architectural shingles, and Heavy Duty Roof Felt.
2. Inspection and preparation of the roof of the building. Removal of existing shingles, repairs where required.
3. Ensure there is proper surface preparation according to best practices and shingle manufacturer's instructions, and all building codes.
4. The contractor is responsible for maintaining a clean, safe work site and responsible for clean-up and disposal of waste throughout project and at project completion.

General Standard Terms and Conditions

1. The contractor is responsible to ensure all materials, supplies etc provided are new and of the highest quality. The contractor is responsible for all work to conform to professional standards of care and practice during the work. As well as be of the highest quality and be free from all faults, defects and errors.
2. The work shall be performed in accordance with all applicable municipal, provincial and national regulations and codes. The contractor accepts liability for any work required to complete the job or rectify deficiencies in accordance with such codes and indemnifies the Municipality of the County of Antigonish in the event of injury, damage, claim or action, arising from the contractor's failure to comply with all regulations and codes. In any case of conflict or discrepancy, the most stringent requirements shall apply.
3. The contractor/ successful bidder is responsible to obtain all permits, if applicable to ensure compliance with all codes and regulations, and bylaws. Included in this responsibility are regulations under the Nova Scotia Occupational Health and Safety Act and Regulations. <http://nslegislature.ca/legc/statutes/occupational%20health%20and%20safety.pdf>
The contractor/ successful bidder must provide (where applicable to firm or contractor) proof of good standing status with the Workers Compensation Board (WCB) for the duration of the contract, and provide proof of an issued or interim Certificate of Recognition from Nova Scotia Occupational Health and Safety. Up to date fall protection training is necessary dependent on equipment used for this Tender Project. Certified copies of all certificates must be submitted to the Municipality prior to contract start.
4. In the event the contractor fails to perform any work in accordance with specifications or leaves work unfinished, the Municipality of the County of Antigonish may enlist another, whom they deem fit, to complete the work. The contractor is liable for the cost this incurs the Municipality and the amount will be deducted from the price of the job or payment for the job completed.

5. In addition to these general Terms and Conditions this Tender is subject to Atlantic Provinces Standard Terms and Conditions for Goods and Services, <http://www.atlanticsuppliers.ca/acts-regulations/atlantic-provinces-standard-terms-and-conditions-goods-and-services/#2>.

Project Close- Prior to final payment there will be an inspection of the work to ensure that it is complete and satisfactory. All major and minor defects or deficiencies will be listed for correction or completion and work will be corrected or completed before project is closed and payment made.

Indemnification

The selected bidder/ contractor shall indemnify the Municipality of the County of Antigonish, its officers and employees from and against all claims, damages, losses, costs, suits, proceedings or actions arising from, out of or in relation to improper acts in execution of the work. It is the responsibility of the contractor to maintain and pay for liability insurance for the duration of the contract/ agreement in an amount that is not less than two million dollars (\$2 000 000) in respect to any one accident or occurrence against claims for property damage, damage to person, death or loss arising from any fault and/ or omission and/or act of the contractor/ bidder. Certificates of Insurance which show the Municipality of the County of Antigonish as an additional named insured shall be filed with the County with the Contract.

Warranty

Contractor / bidder shall warranty all work completed for a period of at least 12 months from date of completion and project closure acceptance, to be free of defects. Any defects or deficiencies shall be addressed within seven business days from notification, at the expense of the contractor/ bidder. Latent defects and deficiencies are the responsibility of the contractor even after final approval and project closure.

Project Completion Date

The project is to be completed by October 30th, 2017.

Liability for Costs

Contractors / Bidders are responsible for their own expenses in preparing, delivering or presenting a proposal and for subsequent negotiations with the Municipality, if any. The Municipality will not be responsible for any costs, expenses, losses, damages or liability incurred by any proponent as a result of, or arising out of, the submission or any proposal, or due to the Municipality accepting or rejecting any proposal.
